

### CURRICULUM VITAE (CV)

Name of Staff: **Prof. Dr. Ghada Farouk Hassan**

Profession: **Professor of Housing and Urban Planning and Design**

Date of Birth: **24/ 6/ 1966**

Nationality: **EGYPTIAN.**

Membership in Professional Societies:-

- A MEMBER OF EGYPTIAN ENGINEERING  
SYNDICATE

---

**Languages** : Arabic Mother Language  
Fluent in French  
Fluent English

**Computer Knowledge:** very good capacity in all Micorsoft-office programs, Adobe photoshop, AutoCAD.

**Mailing Address** : 12 /28 ninth district, Nasr City Cairo, Egypt

**Telephone** : Home 20 2 / 24717048  
mobile: 010-01498403

**E-mail** : [ghadafhassan@yahoo.com](mailto:ghadafhassan@yahoo.com)

---

**Present Post:**

- Professor in Urban Planning, Department, Faculty of Engineering. Ain Shams University till now
- General Manager at Technical Office of the General Organization of Physical Planning (GOPP), Ministry Of Housing, Utilities and Urban Communities since July 2006-2012.
- Team member in Urban Landscape Committee in the National Urban Harmony , Ministry of Culture

### Other Posts

- 2009 -2005: Professor of Housing, at Architecture Department at Arab Academy for Sciences and Technology and Marine AASTM from
- 2 009 -2003: Member of the Organization Committee of the *International Conference* of Ain Shams University titled: the Environment and the Engineering
- 2009 - 2005: Technical Manager for the strategic plan of first phase of Egyptian villages that is implemented through participatory planning approach
- 2007 - 2005: Team member of the *High Committee For Hinterland Development* and the preparation of the Strategic Development plan for Egyptian Governorates
- 2007- 2005: Consultant of the Implementation team in RUSPS projects (preparing rapid need assessment for 7 cities in Egypt) sponsored by The World Bank and UN- Habitat
- 2006- 2004: Member of Cultural Relation Committee Affaires at Faculty of Engineering Ain Shams University
- 2005 – Team member in The National Project For Slum Upgrading Through Participatory Process
- 2004-2002** Member of the Committee for the Post Graduate Affaires at Faculty of Engineering Ain Shams University
- 2002-2000** Member of Committee of Under Graduate Student Affaires at Ain Shams University

### Organizations Membership

- 2003- till present Expert of Urban Environment and urban planning at the General Organization of Physical Planning GOPP- Ministry of housing and urban development at Cairo
- 1-** till present Expert at Center of Urban Planning and Urban Development studies CUPUD at Engineering Faculty – Ain Shams University
- 1999-2000** Member at Center of Environmental Design & Research – CEDR Berkeley University California USA

---

### Academic Qualifications:

- 2012 Academic degree of Professorship in urban planning
- 2005 Academic degree of associate professor in urban design
- 2000 Ph.D. (*Environmental Control through Urban Planning Development of Tourist and Recreation Coastal Zone of the Mediterranean Sea*) Urban Planning Department, Faculty of Engineering, Ain Shams University
- 1994 M.Sc (*Landscape in coastal zones of Egypt*) Urban Planning Department, Faculty of Engineering, Ain Shams University
- 1989 B.Sc. in Architecture, Faculty of Engineering, Ain Shams University  
(Very good with first honor degree and excellent grade for project.)
- 1988 Scholarship to the USA (Student Exchange)
- 1984 High school degree from Ecole du Sacre-Coeur, Ghamra, Cairo

### Courses and program

- 2010** Courses about *Quality Assurance and accreditation in universities, Managing Researches, Putting & Evaluating Exams, International Publication, And Managing Time.*

**2008** Program of GLA *Governmental leader Academy* managed and sponsored by Microsoft and ministry of administration development

**2005** Courses in communication and presentation skills

**1999** Courses in: *Urban Places and Globalization*, at Center of Environmental Design Research CEDR; Berkeley, Cal University, USA

**1999** Courses in: *Methods of Inquiry in Research*, at Center of Environmental Design Research CEDR Berkeley UC, Cal University, USA.

### Teaching and Academic Activities

Professor of Sustainable Urban Planning & Design, and Landscape design (*staff member since 1989*) – Faculty of Engineering, Ain Shams University

Conducting an international training TOT program conducted by UN\_HABITAT for urban planner experts of **Iraqi Program** of development Iraq Program – UN-HABITAT Amman

Consultations and international Trainer at UN-Habitat for Participatory Planning, SWOT analysis, Trainer for Strategic Development for Regional and Local Levels, Trainer For Slum Upgrading, Gender Issues

Lecturing and developing curriculum for following courses

First: the post-graduate level

- Participatory Planning and Urban Management
- Urban Planning of the New Urban Settlements & Sustainability principles
- Housing Development in the Third World
- The Strategic planning in cities
- Analytical Comparison of Different Urban Fabric Forms

Second: the under-graduate level.

- Urban design courses
- Housing courses
- Landscape and Townscape courses
- Environmental control courses
- Writing reports and presentation skills

### Studios & workshops

Contributing in teaching studio of the **Urban Design** (1) and (2)

Contributing in teaching studio of the **Urban Planning & Housing** (4)

Contributing in teaching studio of the **Urban landscape** (1)

### 2-1 Conferences Organization and Coordination

2010 Participating in the International Conference of Housing Policies by UN-Habitat in Amman, Jordan 2010

2009 Contributing in the national conference for improving engineering learning in Faculty of Banha

2007 Member the organization committee of the international scientific conference of housing and sustainability at GOPP

- 2006 Member of the scientific committee of the first international conference of architecture and planning at Ain Shams University
- 2004-2006 Participation in Organizing, the first and second international conference of environment Ain Shams International Conference ASCEE for Environmental Engineering,
- 2003-2004 Team members in EDAPSE\_ASOU Organization for education upgrading Program funded by the World Bank at Faculty of Engineering, Ain shams University

### **Publications**

- *The enabling approach for housing supply- drawbacks & prerequisites - Egyptian experiences, published at Alexandria engineering journal*
- *Production and hosting by Elsevier b.v, issn: 1110-0168, 2012*
- *Regeneration as an approach for the development of informal settlements in cairo metropolitan published at Alexandria engineering journal*
- *Production and hosting by Elsevier b.v, issn: 1110-0168, 2012*

- *Sustainable Development Of The Historic Areas Around Magra Al Oyouun –Published at Al Fayoum Conference For Tourism Development 2002*

## 2- RELEVANT DEVELOPMENT ACTIVITIES

**Organizing and** participating in a variety of training courses for the university staff and the local government staff who will participate in the rural strategic plan project. This included the sensitization of project partners to the core Environmental Planning and Management concepts; methods on data collection through desk study and field visits and interviews; approached to needs assessment and situation analysis; the application of the SWOT Analysis approach; organizing and holding the village consultation and planning workshops including the preparation of the synthesis of findings and the preparation of the final document.

**Trainer** for six national training courses at **Sakarah Training Center** conducted for all technical staff within urban planning departments and directorates within Egyptian Governorates on the issue of preparing strategic plan for Egyptian villages within the period from March till June 2005. The courses have focused on building the capacities of the trainees on issues such as strategic planning, participatory planning and stakeholders consultation and resolution

**Trainer** for Slum Upgrading for Iraqis technical staff (localities) in Juin 2005 conducted by UN and ministry of housing and urban settlements and infrastructure

**Trainer** for Local Economic development for Iraqis technical staff (localities) in Juin 2005 conducted by UN and ministry of housing and urban settlements and infrastructure

**Trainer** for Gender issues for Iraqis technical staff (localities) in Juin 2005 conducted by UN and ministry of housing and urban settlements and infrastructure

---

### 2-2 Working Experiences

**2005** the implementation of the “National Programme for the Development of Rural Strategic Plans” research action-oriented project sponsored by the General Organization for Physical Planning with technical cooperation from UN-HABITAT in over 500 Egyptian villages. The main purpose of the Programme is to contribute to the reduction of loss of valuable agricultural land through the provision of revised village development boundaries (Hayyez) as a contribution to the implementation of the United Nations Millennium Development Goals (MDGs).

- 2005** The adaptation of the UN-HABITAT Urban Sector Profile Study for utilization in the context of the Egyptian village as expert to the GOPP. This included the development of tools for implementation of the study at the village level. As team member in the programme
- 2005 The preparation of the terms of reference (TOR) for the implementation of the above-mentioned National programme. The TORs were utilized by GOPP to contract a large number of universities in Egypt to undertake the work in their respective geographic areas
- 2004** Participated the RUSPS Regional Urban Sector Profile Study by the UN-Habitat & UTI partnership that includes preparing the **Urban profile of the Alexandria City** within participatory planning approach (slums, environment, governance, gender)
- 2004** Participated the RUSPS Regional Urban Sector Profile Study by the UN-Habitat & UTI partnership that includes preparing the **Urban profile of the Suez City** within participatory planning approach (slums, environment, governance, gender)

### **2002 till present**

Team leader of the Project of preparing Pilot Planning of **Manshaat Abou Omar village**, Markaz El Hosseineya, at Al Sharquiya Governorate through the National Project of Rural Development, Phase one –  
*according contract between Ain-Shams University and GOPP*

Team leader of the Project of preparing Pilot Planning of **El-Adleya village**, Markaz Belbeis, at Al Sharquiya, Governorate through the National Project of Rural Development, Phase one –  
*according contract between Ain-Shams University and GOPP*

Team leader of the Project of preparing Pilot Planning of **Tahanob village**, Markaz Shebeen El Kanater, at Al Qalyoubeya Governorate through the National Project of Rural Development, Phase one - *according contract between Ain-Shams University and GOPP*

Team leader of the Project of preparing Pilot Planning of **El Gaafra village**, Markaz Shebeen El Kanater, at Al Qalyoubeya Governorate through the National Project of Rural Development, Phase one - *according contract between Ain-Shams University and GOPP*

Team leader of the Project of preparing Pilot Planning of **Saft Tourab village**, Markaz El Mahalah El Kobra, at Al AlGharbeya Governorate through the National Project of Rural Development, Phase one - *according contract between Ain-Shams University and GOPP*

Team leader of the Project of preparing Pilot Planning of **Shouny village**, Markaz Tanta, at Al AlGharbeya Governorate through the National Project of Rural Development, Phase one - *according contract between Ain-Shams University and GOPP*

### **2000- 2001**

Private villas and residential buildings , in Al-Obour City and in the 5<sup>th</sup> settlement had been designed  
Urban Design of the Alm Al Roum Resort on the North west coast  
Shopping Mall at Helwan Under Ground Square  
Residential – commercial building at Helwan

**1989- till 1999:**

participated in planning and urban design of the following projects through PUD consultant office:

Marina Alamein, Egypt: A new holiday resort development on the Northwest Coast (from km 84- km 104 from Alexandria-Matrouh).

Collaboration in the planning process, the urban design and the architectural design of service centers and residential units and special recreational activities

Marina Matrouh, Egypt: Site planning of a new holiday resort development on the Northwest Coast (Samla and Alm Al Roum, 7km along the Mediterranean Coast of Egypt).

Collaboration in the planning process, the urban design and the architectural design of marina, hotels, boatel, residential units and special recreational activities such as golf course.

Marina Latakia, Syria: The cooperation in the studies of the site and urban planning and design of coastal tourist resort (area about 60 hectares) including villas, chalets, apartment hotel and recreational activities.

Hurghada tourist village and shopping mall, Egypt: Cooperation in planning, urban design and architectural design of tourist village, shopping mall and housing development on the Red Sea Coast, including hotels and housing schemes for different social groups

Dahab Hilton Hotel, South Sinai, Egypt: Urban and architectural design of a resort hotel of about 300 rooms on the Aqaba Gulf Coast

El-Sokhna Heights, tourist resort along the Suez Gulf, Egypt: The physical studies and planning and urban planning concept that won the first prize in a limited competition

Low income Housing Development, South Jahra Township ( New settlement), Kuwait  
Project manager : involvement in the schematic design phase including land divisions and services centers.

Low and medium income housing development, Cairo, Egypt: Development studies of the eastern extension of Cairo
