

ENG. SOHA EL-YAMANY, M.Sc.

Architect & LEED Projects Coordinator
LEED Green Associate

PERSONAL INFORMATION

FIRST NAME(S)	Soha Mohamed El Yamany Mohamed
ADDRESS	3,ali Khalil Street, Sayeda Zeinab , Cairo ,Egypt
TELEPHONE	+20 23901670
MOBILE:	+020 1006826748
E-MAIL	Soha_yamani@hotmail.co.uk
NATIONALITY	Egyptian
DATE OF BIRTH	26-08-1987
GENDER	Female
MARITAL STATUS	Single

EDUCATIONAL DATA

SCHOOL NAME	El Horreya Language School
UNIVERSITY NAME	Cairo University Faculty Of Engineering
MAJOR	Architecture Department
GRADE	Good (May 2009) Graduation Project (Excellent) The Project was : Ministry Of Environment And Environmental Research Center Supervised by : Dr. Medhat ElDorra , Dr. Hamam Serageldin and Dr. Hisham Azmy
MASTER OF SCIENCE DEGREE	Cairo university , Architecture Department , Environmental Design (2013)
MASTER THESIS TITLE	Applicability And Implementation Of U.S. Green Building Council Rating System (LEED) In Egypt Case Studies: LEED Certified & Registered Buildings In Egypt
PHD Studies	Currently enrolled in PHD in Cairo University, Architecture Department , Environmental Design ,Energy efficiency and renewable energy in buildings

OBJECTIVE

My Goal Is To Work In The Field Of Sustainable Development And Sustainable Architecture To Help In The Reduction Of The Environmental Impact Of Any Built Environment Through Practical Implementation In Real Projects And Through Passing My Knowledge To Younger Generations .

SKILLS

LANGUAGES	English (spoken and written) excellent, Arabic Mother Tongue
TEACHING SKILLS	<ul style="list-style-type: none">• I've given several lectures for 3rd year architecture in Cairo university under the supervision of Prof. Dr. Moemen Afifi (Architecture and sustainable development course), regarding LEED credits and their application in Egypt and sustainable architecture .• I was responsible for training several undergraduate trainees in the office , the training included LEED Credits ,and how to implement LEED credits in Egypt .• I've given several lectures regarding sustainable construction practices in Egypt within several environmental events such as climate change festival in Cairo.
COMPUTER SKILLS	<ul style="list-style-type: none">• Excellent command of AutoCAD (2D).• Good knowledge of graphic design applications (Photoshop™).• Basic knowledge of Revit Architecture.• Excellent command of Sketch up.• Excellent command of Microsoft Office™ tools (Word™, Excel™ and PowerPoint™).

TRAINING DATA

SUMMER 2005-2006	Training for 1 month in Kuwait company for process plant construction & contracting (KCPC)
SUMMER 2006-2007	Training for 1 month in Dr.Tarek Abd El-latif Architecture & Planning Office
SUMMER 2008-2009	2 weeks site Training in Engineering Consultant Group (ECG)
6-7-09 TILL 23-9-09	Trainee Engineer in The Architectural Department in The Kuwait Company For Process plant Construction & Contracting (KCPC)

CERTIFICATES

**LEED GREEN
ASSOCIATE
CERTIFICATE**

From Green Building Certification Institute (GBCI)
January,9,2012

<p>WORKING IN</p>	<p>M. A. Consultants office (Prof. Dr. Moemen Afify: Professor of Architecture and Environmental Design - Professional Architect at Cairo University)</p> <p>From December ,2009 till now</p>
<p>LEED PROJECTS</p> <p>Leadership in Energy and Environmental Design (otherwise known as LEED) is a green building rating system developed by the U.S. Green Building Council (USGBC) to provide a suite of standards for environmentally sustainable construction. .</p>	<p>I have been working on five LEED projects since 2009 :</p> <p><u>Aramex Mashreq Logistics Warehouse Project</u> Silver Certified</p> <p><u>Infofort Information Management Warehouse Project</u> Silver Certified</p> <p><u>Mobinil Call Center</u> Gold Certified</p> <p><u>Aramex Burj Elarab Logistics Warehouse</u> Registered</p> <p><u>Aramex Extension Warehouse</u> Registered</p> <p>My title is “LEED Projects Coordinator” and I am fully involved in LEED assessment and certification process as follows:</p> <ul style="list-style-type: none"> • A part of the design team and a member in the green committee which follow up the implement of LEED strategies. • Managing and guidance of the green design and construction team to ensure achieving the LEED prerequisites and maximum possible number of LEED credits. • Review and approve all related action plans and reports. • Conduct regular meeting on monthly bases with the design, LEED workshops and LEED consultants to track the LEED action plan. • Attend the design and design meetings pertaining to any energy related issues regarding variations or deviations from the overall energy strategy. • Provide necessary technical and administrative support in certain LEED areas to ensure proper evidences and documentation to USGBC. • Liaison with the project owner including several LEED issues.
<p>OTHER PROJECTS</p>	<ul style="list-style-type: none"> • Nano Technology Research Center (Working drawing, Shop drawing, Coordination) • Villa Zein (Design drawings) • Citroen Exhibit (Interior Design shop drawings, 3D drawings) • Giza system Office building (Entrance Design Details)

VOLUNTEERING MEMBER IN

EEER : The Egyptian Society for Energy in Buildings and Environmental Design Research

Since June 2012
Till August 2013

EEER is an Egyptian research effort to provide a forum for the exchange of information between researchers, developers and practitioners acting on the topic of building energy and building environment and related issues.

<http://www.ibpsa-interbuild.com/>

BEE'iE - بيئي Building, Energy & Environmental innovations in Egypt

Since February 2013

BEE'iE is a platform aiming to effectively share and transfer the knowledge on Building Energy & Environmental innovations in Egypt

<https://www.facebook.com/BEEIEgy>

ACTIVITIES AS A PARTICIPANT

<p>1-2 February 2013</p>	<p>A Lecturer for a public Lecture “sustainable construction practices that can be simply achieved in Egypt” in ECO Cities Camp Event by Ice Cairo</p>
<p>16 March 2013</p>	<p>As a BEEiE Representative at DEMENA Climate Festival (The DEMENA Youth Climate Ambassadors program has been working on environmental issues in Egypt for 3 years)</p>
<p>26 March 2013</p>	<p>A Lecturer for a one day workshop at the HBRC (Housing & Building National Research Center) About LEED Rating System.</p>
<p>25-26 May 2013</p>	<p>As a BEEiE Representative at GO GREEN Expo (2nd Energy Saving Solution & Recycling : Exhibition)</p>
<p>Cairo Building Simulation conference June 2013</p>	<ul style="list-style-type: none"> • I was one of the main organizers for IBPSA-Egypt 1st conference about Building Simulation Contributions to Built Environment in Egypt . • The event gathered different disciplines that contributes to whole sustainability and green life such as urban micro-climate, landscape, environmental design, sustainable/green and passive architecture, building simulation tools for urban and building environments, etc. • The scientific committee of this conference were internationally recognized people from Egypt, USA and the UK .

ACTIVITIES AS AN ATTENDEE

22-24 March 2010	Sustainable Green Building In Desert Environment Conference at Housing & Building Research Center- Cairo –Egypt .
22nd-23rd July 2011	A two day (16 Hours) LEED Green Associate workshop with Eng Shady Attia .
18-21 November 2011	Ecovillage Conference at SEKEM Egypt .
4 March. 2012	Indoor Air Quality Seminar in Cairo university by ASHRAE CAIRO CHAPTER by Prof. DR. Mahmoud Fouad .
29-31 May 2012	9 th International Conference on Civil and Architecture Engineering “Towards Sustainable Built Environment “ workshop
31 August 2012	DEMENA’s Recycling Festival
21 October 2012	Geeks, Gardeners and Green Entrepreneurs by IceCairo
11 June 2013	Green Construction: Challenges and Applications By German-Arab Chamber of Industry and Commerce

AWARDED SCHOLARSHIPS

<p>Summer School on "Renewable Energy and Building Technology in the MENA region"</p> <p>12th of August 2013 - 23rd of August 2013 in Tunis</p>	<p>Organized by:</p> <ul style="list-style-type: none"> • The National Engineering School of Tunis • Dresden University of Technology (Germany) • Desertec University Network <p>Supported by :</p> <ul style="list-style-type: none"> • DAAD (German Academic Exchange Service) • Tunisia Polytechnic School
<p>Summer School " Green building solutions“</p> <p>26.07.2014 – 17.08.2014</p> <p>Vienna</p>	<p>Organized by: INEX (International Network for Exchange)</p> <p>Project Partners :</p> <ul style="list-style-type: none"> • Passivhaus Austria • Vienna University of Technology (TU Vienna) • University of National Resources and Life Sciences Vienna (BOKU) • University of Vienna • The Regional Centre of Expertise on Education for Sustainable Development Vienna • Austrian Institute of Technology (AIT)

ACADEMIC CAREER

1 Feb 2014 till now

Arab Academy for Science and Technology and Maritime Transport

- As a Part time Teacher assistant for graduation project under the supervision of Dr. Ali El Faramawy

PAID WORKSHOPS

26 March 2013

Introduction about LEED Rating System and its Components

- One day workshop
- Location: HBRC (Housing & Building National Research Center)

14-15 February
2014

Sustainable Building Design Workshop

- 2 Days workshop
- Co- Tutors : Dr. Shady Attia and Eng Moataz El Behairy
- Location: Darb 1718

11 April from 2014
8:30 am till 7:00
Pm

LEED Project Coordination Workshop: A Practical point of View

- One day workshop
- Location: Ice Cairo
