

## Shimaa Abdul El-Majeed Abdul El-Majeed

El-Gaheth Street from El-Tayaran Street  
District VII - Nasr City - Cairo  
Mobile: 01069433796 - 01153892916  
Email: [shimaa.allam@gmail.com](mailto:shimaa.allam@gmail.com)

### Job Objective

Looking for a challenging technical position in a large or growing organization that satisfies my hard-working ability and enhances my career in the field of architectural engineering and design

### Education

1-Graduate Studies for **(P.H.D)** degree in architecture (Building Sciences and Technology Division) in Architectural Engineering, Faculty of Engineering, Cairo University, 2017

**Dissertation: "The Impact of Smart Applications on Raising the Efficiency of the Actual Performance of the Administrative Buildings"**

2-Graduate Studies for **(M.S.C)** degree in architecture (Building Sciences and Technology Division) in Architectural Engineering, Faculty of Engineering, Cairo University, 2013

**Thesis; Monitoring and Analysing of Islamic Ages Architecture and Its Effect on the Religious Architecture in the Modern Age "Analytical Study"**

3- Graduate Studies for **(B.Sc.)** degree in Architectural Engineering, Faculty of Engineering, El-shorouk Academy, 2010

**General grade:** Very Good (Honourable mention).

**Graduation Project:**

A Touristic Resort: Architectural design of a touristic village at North Coast in a modern concept. The project consisted of a five-star hotel, a Social club, and villas.

### Academic Experience

1. **Teacher** of Architecture (**Al - Azhar University**) for Engineering , Egypt.
2. **Teacher** of Architecture (**Al-Jazeera High Institute**) ) for Engineering and Technology ,Mokattam, Egypt
3. **Teacher** of Architecture (**10th High Institute of Ramadan**) for Engineering and Technology, October, Egypt.
4. **Teacher** of Architecture (**El-Safwa High Institute**) for Engineering, Dakahlia, Egypt.

Shimaa Abdul El-Majeed Abdul El-Majeed Ibrahim  
El-Tayaran Street The district VII - Nasr City - Cairo  
Mail : [shimaa.allam@gmail.com](mailto:shimaa.allam@gmail.com)

5. **Professor** of Architecture (**El-Safwa High Institute**) for Engineering, Dakahlia, Egypt.
6. Assistant Lecturer (**El-Shorouk Academy**) for Engineering and Technology, Shorouk City, Egypt
7. Assistant Lecturer (**Pyramids High Institute**) for Engineering and Technology, October, Egypt
8. Assistant Lecturer (**Obour High Institute**) for Engineering and Technology, Belbees, Egypt.

### Research Publishing

- 1- International Journal of Chem Tech Research in India -Subject: **"Application of Energy Efficiency Techniques & Design of Building Facades by Simulation Model"**
- 2- The 8th International Scientific Conference of the Military Technical College - Egypt - Subject: **"The Impact of smart applications on raising the efficiency of the actual performance of smart buildings"**
- 3- The first international scientific conference of architecture at the University of Effat - Jeddah - Subject: **"The Influence of Smart Technology on the IEQ of Administrative Buildings: Case study analysis"**

### Conferences and Meetings Sharing

- 1- The first international scientific conference in nanotechnology and its applications at Al-Azhar University - Egypt – 2017.
- 2- Green Workshop House Competition, Has participated in the Introductory Session For Green Building. – Egypt – Nov 2017.
- 3- Al Azaher 14<sup>th</sup> International Conference (AEIC) on: Engineering, Architecture, Technology – Egypt - Dec 2017.
- 4- "Nanotechnology in the 21st Century Prospects and Challenges" Conference - Egypt - September **2018**
- 5- Building Information Modelling conference, Egypt, September **2018**

### Memberships and Committees:

| THE TASKS PERFORMED BY  | THE NAME OF THE COMMITTEE  |
|---|--|
| Documenting all activities, courses and conferences for the architecture Department program . | Chair of the Activities and Information Committee of the architecture Department . |
| Participate in preparing quality standards for the architecture Department program .          | Member of the Quality and Curriculum Committee of the architecture Department.     |
| Courses for female students transferred from other colleges or other departments .            | Member of the Equations Committee, architecture Department.                        |

## Membership of Associations and Organizations: \_\_\_\_\_

1. Member of the Egyptian Engineers Syndicate
2. Associate member of the Society of Architects
3. Member of the Federation of Arab Engineers

## Work Experience \_\_\_\_\_

1. **Summer 2009** Planning and Architecture Office ( Dr.Aboul-Ftouh Shalaby),Giza, Egypt.
2. **August 2010** Arab Consulting Engineers ( Muhrram Bachum ), Dokki, Giza, Egypt.

## Skills \_\_\_\_\_

### ○ Languages

- **Arabic:** Excellent (mother tongue).
- **English:** good spoken & written.
- **French:** fair

### ○ Computer

#### ✚ (Engineering Programs)

- Highly Skilled in **AutoCAD (2D, 3D)** "All Version"
- Highly Skilled in **Adobe Photoshop** "All Version"
- Basic Awareness of **3D Max**

#### ✚ (Application Programs)

All Microsoft Application Program's including (Ms Office All Versions)

## Certifications & Courses \_\_\_\_\_

- **TOEFL** Certificate With Score 520 (09-2015).
- **TOEFL** Certificate With Score 500 (09-2011).
- **GRE** Test (03-2016).
- **ICDL** Certificate (06-2012).
- **General English** Course 8 Level from Ain Shams University (12-2017).
- **Human Development** from Ain Shams University (12-2017).

## Extra Curricular Skills \_\_\_\_\_

- Drawing.
- Reading at religion.
- Navigation at the Internet web.

## Personal Data

---

**Date of Birth:** 19<sup>th</sup> March 1988.

**Gender:** Female.

**Religion:** Muslim.

**Marital Status:** Married.

**Nationality:** Egyptian.
