September 2009	<ul style="list-style-type: none"> Re-planning and design the Happy land park at Mansoura under the auspices of Ad-dakahlyia governor: Samir Salam.
April 2008	<ul style="list-style-type: none"> Documented the architectural heritage of the facades of heritage buildings of Mansoura city under the auspices of the center for documentation of cultural and natural heritage (CULTNAT).

- **1th Aug. 2016 Awarded P.H.D Degree in Architectural Engineering**
Title of PHD thesis being: " **Towards Green Heritage Buildings In Egypt**".
- **11 JUNE 2014. Awarded LEED Green Associate from US. Green Building Council.**
- **Nov. 2012** Attended courses 14 credit hours of "**LEED Green Associate and Green Buildings concepts**"- Mansoura University .

Education and training

- **Feb. 2013** : Passed the qualification exam of P.H.D at Mansoura University in Feb. 2013.
- **August 2011** : Awarded the master degree in Architectural Engineering, Mansoura University, Mansoura-Egypt .
Title of master thesis being: **Urban heritage sites sustainable as an approach to the intermediate cities development (Applied study for Mansoura city-Egypt)**
- **September 2007** : successfully completed the M.Sc. preparatory courses at Mansoura University- Egypt in partial fulfillment for this degree (overall grade: **Very Good**, ranked: **First**).
M.Sc. preparatory courses:
 1. Urban design for city centers.
 2. Design of recreational areas in cities.
 3. Environmental planning.
 4. Environmental impacts on architecture design.
 5. Research seminar.
 6. Modern schools in architectural design in 20th century.
 7. Computer applications.
 8. Building technology.
- **July 2006** : B.Sc. in Architectural Engineering from Mansoura University, Egypt, in July 2006 with degree "**Very Good**" with honor "**79.95%**".
Ranked the second over Department of Architectural Engineering.
Title of B.Sc. project "**Abu-Simble International Airport** ", with degree **Excellent**.
- **June 2001** : General Secondary Education Certificate from El-Mansoura Sec. School, Mansoura ,Egypt in June 2001 with degree classification "95.4%" .

Title of master thesis being: **Urban heritage sites sustainable as an approach to the intermediate cities development (Applied study for Mansoura city-Egypt)**

The research apply the concept of exchanging the experiments among the intermediate cities through the co-operation network of CIMES ("*Intermediate cities and world urbanisation*" programme, which has been organised by the Lleida City Council-Spain, under the auspices of the International Union of Architects (UIA) and UNISCO (Most-program)"). The research analyzed and comparing between the pioneer experiments of two intermediate cities that success to develop their cities through their urban heritage sites development projects. . Making the benefits of these experiences by applying them through a sustainable development vision on one of the intermediate cities as a case study, which its urban heritage sites suffering from problems and threatened with extinction.

Personal skills and competences

Mother tongue(s)

Arabic

Other language(s)

Self-assessment

European level (*)

English

French

Understanding				Speaking				Writing	
Listening		Reading		Spoken interaction		Spoken production			
B2	Independent user	C1	Proficient user	B2	Independent user	B2	Independent user	C2	Proficient user

April 2010 "The Sustainable Economic For Heritage Sites and the Harmony Between the Economic Needs and The Visual Image of Sites", 8th Assuit International Architectural Conference, Assuit University-Egypt.

March 2010 The Effect of the Urban Heritage Sites Sustainable On The Development Of Intermediate Cities", the 7th international engineering conference, Mansoura University, Egypt.

Additional information

Activities :

- **A member** of the Youth Advisory Council of Ad-Dakahlyia Governorate.
- **A member** of the Presidential Program Leadership – Batch 1.
- **A member** of the Supreme Commission for Tourism in Ad-dakahlyia Governorate.
- **A member** of Mansoura Metro project's committee – Faculty of engineering- Mansoura University.
- **A member** of tourism Planning for Mansoura city Committee for - faculty of tourism and hotels- Mansoura University.
- **A member** of the committee of Listing and conservation the heritage buildings of Ad-dakahlyia governorate- Affiliated to the urban harmony organization – Ministry of Culture.

Research interest:

My research interest in the three fields:

1. **Green architecture and sustainable buildings**
2. **Urban Planning of cities.**
3. **Urban heritage sites.**(their problems, conservation and restoration polices, how to develop and sustainable them, how to recovery the heritage city centers that are located in developing cities..etc.)
4. **Intermediate cities.**(their concept, solving the problems that are facing them, especially those are located in developing countries, exchanging the successful experiments among the cities per CIMES's co-operation network)
5. **Interior design.**
