## Summary

Finding new techniques for water efficiency in buildings

General field : Sustainable Architecture

Specialty : Water Conservation

---

## Experience

### **Architect / Co-ordinator at Center of Design and Development (CDD)**

April 2011 - Present (2 years 3 months)

Part-timer

### **Instructor at Faculty of Engineering, Ain Shams University**

February 2010 - Present (3 years 5 months)

Department of Architecture

### **Architect at ARCHPLAN**

October 2010 - March 2011 (6 months)

Junior architect (home-based work)

### **Architect at Center of Design and Development (CDD)**

October 2009 - September 2010 (1 year)

Junior architect

### **Trainee at Center of Design and Development (CDD)**

August 2008 - September 2008 (2 months)

Trainee

---

## Test Scores

### **TOEFL iBT**

April 2013 Score:95

---

## Courses

## **Instructor**

Faculty of Engineering, Ain Shams University

Examination systems and student assessment	3
Ethics of Scientific Research	4
Standards of quality in the teaching process	5
International Publication	6
Communication skills in education	7
Effective Presentation Skills	8

---

## **Independent Coursework**

Mastering AutoCAD 2004 (3D modeling)	1
Mastering Photoshop CS2 (Basic level & advanced level)	2

---

## **Volunteer Experience**

### **Architect / Researcher at Remal Foundation**

March 2012 - Present (1 year 4 months)

NGO

---

## **Languages**

**Arabic**

**English**

---

## **Skills & Expertise**

<b>Architecture</b>	(Advanced, 7 years experience)
<b>AutoCAD</b>	(Advanced, 7 years experience)
<b>Water Management</b>	(Intermediate, 2 years experience)
<b>Sustainability</b>	(Intermediate, 4 years experience)
<b>Sustainable Architecture</b>	(Intermediate, 4 years experience)
<b>Resorts</b>	(Intermediate, 5 years experience)
<b>Environmental Issues</b>	(Intermediate, 5 years experience)
<b>Environmental Design</b>	(Intermediate, 4 years experience)
<b>Environmental Impact Assessment</b>	(Intermediate, 3 years experience)
<b>Research</b>	(Advanced, 7 years experience)

<b>Interior Design</b>	(Intermediate, 5 years experience)
<b>Lecturing</b>	(Intermediate, 3 years experience)
<b>Review</b>	(Intermediate, 5 years experience)
<b>Planning</b>	(Intermediate, 5 years experience)
<b>Photoshop</b>	(Advanced, 7 years experience)
<b>PowerPoint</b>	(Advanced, 10 years experience)
<b>Digital Photography</b>	(Advanced, 7 years experience)
<b>Word</b>	(Advanced, 10 years experience)
<b>Excel</b>	(Intermediate, 5 years experience)
<b>Engineering</b>	(Intermediate, 7 years experience)
<b>Working With Students</b>	(Intermediate, 3 years experience)
<b>English</b>	(Advanced, 18 years experience)
<b>Analysis</b>	(Intermediate, 7 years experience)
<b>Arabic</b>	(Advanced, 20+ years experience)
<b>SketchUp</b>	(Advanced, 6 years experience)
<b>Writing Skills</b>	(Intermediate, 5 years experience)
<b>Design Research</b>	
<b>Architectural Design</b>	
<b>Project Planning</b>	

---

## Education

### **Ain Shams University**

Master of Science (M.Sc.), Environmental architecture and building technologies, 2009 - 2013

Grade: Distinction

### **Ain Shams University**

B.Sc., Architecture, 2005 - 2009

Grade: Very Good

### **Cairo International Language Schools (CILS)**

Secondary level, Scientific sector - Mathematics, 1996 - 2004

Grade: 96.58 %

---

## Interests

Reading, design, surfing Internet & enjoying nature sightseeing
