

## Academic Curriculum Vitae

- **Name:** Lubna Raheem Turki
- **Nationality:** Iraqi
- **Date of birth :** 3 November 1983
- **Web site :** <http://www.uotechnology.edu.iq/dep-architecture/index.htm>
- **E-mail :** [lubna\\_alazawy@yahoo.com](mailto:lubna_alazawy@yahoo.com)  
[lubnaalazzawi@gmail.com](mailto:lubnaalazzawi@gmail.com)  
[lubnaalazzawi@uotechnology.edu.iq](mailto:lubnaalazzawi@uotechnology.edu.iq)
- **Languages :** English , Arabic
- **Scientific qualification :** MS.c. architectural engineering
- **Position :** Assistant Lecturer
- **General specialty :** Environment and Technology of architecture
- **Specific specialty:** Urban sustainability
- **Research field interested in :** Urban sustainability & planning and designing sustainable cities

Education	Research subject/graduation project	University	Year	Degree
BS.c architectural engineer	Panorama of Iraq memory –museum	University of Technology –Iraq – Baghdad	2005/2006	Very good
MS.c. architectural engineer / Environment and Technology of architecture	Urban sustainability in industrial cities	Baghdad University – Iraq-Baghdad	2010	Very good

### ■ Academic experience :

Theoretical lessons	Year	Lesson teacher /Teaching with professor	Stage
Theory of urban design	2010/2011	Teaching with professor	Fourth
Architecture and environment	2011/2012	Teaching with professor	Third
Urban climatic environment	2012/2013	Teaching with professor	Fourth
Computer ( Studio 3D Max)	2012/2013	Lesson teacher	Third

Practical lessons	Year	Lesson teacher /Teaching with professor	Stage
Architectural design	2006/2007	Teaching with team professors	Fifth
=	2006/2007	=	Second
Architectural presentation	2006/2007	=	=
Free hand	2006/2007	=	=
Architectural design	2007/2008	Teaching with team professors	Second
Architectural presentation	2007/2008	=	Second
Architectural design	2007/2008	=	Fifth
=	2008/2009	Teaching with team professors	Fifth
Urban design	2010/2011	Teaching with team professors	Fourth
Architectural presentation	2010/2011	=	Second
Work Shop(Modeling)	2010/2011	=	First
Architectural design	2011/2012	Teaching with team professors	Fifth
Computer ( Studio 3D Max)	2012/2013	Lesson teacher	Third
Architectural design	2012/2013	Teaching with team professors	Fifth

- **Researches completed: 3**
- 1. **Eco- Industrial parks & Eco-Industrial Cities ,The Possibility Of Its Future Implication in Iraq, journal of engineering college, college of engineering – Baghdad university , 2013.**
- 2. **Social Impact in the Urban Development Process for the Iraqi Society, accepted in the conference of growth & development , association of growth and development – office of research and development –ministry of higher education & scientific research , 2013.**
- 3. **The Role of Technical Growth Poles in Achieving the Dimensions of Sustainable Development of Cities (City of Basra as Model) , engineering and technology journal , vol.31,No.5, 2013.**
  
- **Graduation projects supervised on : supervised on graduation projects for fifth stage for the years (2011/2012), (2012/2013).**
  
- **Conferences and workshops : 8 conferences divided between 2 workshops and 2 national conferences and 4 workshops for (refaat chadrchi , Khalid alsultani ,raiqa alloos, dr.ali alhaidari) , also conferences about architectural teaching in Al Nahreen University for the years 2012 and 2013 for adjusting our department gallery .**
  
- **Courses and additional practice :- Worked as web site developer and manager in the same department for 2 years , with programs such as (Microsoft FrontPage , Joomla! 1.5 open source content management system (CMS) ).**
  
- **Thanks and appreciation: 7 thanks and appreciations**
  
- **Memberships :**
  - **Member of Iraqi Engineers Union since 2006, Registration No. 123788**
  - **Member of Federation of Arab engineers since 2011,membershio no.:9/1823**
  - **Member of federation of Nanotechnology since 2013 .**
